Participate In The SaveonSP Program

Specialty medications can cost a lot of money. That's why your plan offers a program called SaveonSP¹, which can help lower your out-of-pocket costs to \$0. There's no extra cost to participate.²

Enroll in SaveonSP and Save

Certain specialty medications are eligible for the SaveonSP program.³ If you're filling an eligible medication, a representative from SaveonSP will call you to talk about enrolling in the program.

If you choose to participate, you'll pay \$0 for your medication. If you choose not to participate in SaveonSP, you'll pay a higher copay when you fill your medication.

Conditions supported by SaveonSP include, but are not limited to:

- Hepatitis C
- Multiple Sclerosis
- Psoriasis
- Inflammatory Bowel Disease
- Rheumatoid Arthritis
- Oncology

Example Of How It Works⁴

John's taking a specialty medication that's eligible for the SaveonSP program. His copay is currently \$70. His new copay will be \$1,000.

- If he participates in SaveonSP, he won't pay anything (\$0) out-of-pocket. His full copay will be paid through a manufacturer copay assistance program, and the copay won't count toward his deductible or out-of-pocket maximum.
- If he decides not to participate in SaveonSP, he'll pay his full copay of \$1,000 out-of-pocket. The copay John pays won't count toward his deductible or out-of-pocket maximum.

1. SaveonSP is an Express Scripts program, and Express Scripts is now a Cigna company. SaveonSP, Express Scripts and Cigna are working together to better serve you and all of your pharmacy, health and wellness needs.
2. SaveonSP is only available to non-Health Savings Account (HSA) plans. If your plan offers multiple plan options and you'd like to participate, you'll need to select a non-HSA plan during open enrollment. If you select an HSA plan during open enrollment, you won't be eligible for the SaveonSP program.
3. The drug classes, medications and associated copays included in this program are subject to change. Check your plan materials to see which medications are eligible for the SaveonSP program.
